Additional Teaching Support Y6

Dear Parents & Carers,

In order to prepare our Year 6 children for their SATs tests in May and further enhance their progress and confidence, we have arranged for **all Y6 pupils** to have booster sessions in different groups between now and May 2019. The first cohort will take place next half term after school on the dates stated overleaf. It has been necessary to change the original start date due to staff training.

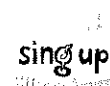

All pupils will be provided with juice and a biscuit. Please collect your child from the upper Key Stage 2 playground at 4.15pm **promptly**.

These sessions will provide children with the valuable opportunity to further enhance their learning, increase confidence levels and ensure the very best preparation with our own school staff. Attendance will be expected from pupils for all planned sessions to enable staff to plan and target teaching effectively.

Thank you for your continued support.

Yours faithfully,

Mrs S M Fau-Goodwin
