

**LEARN HOW TO USE TAPESTRY PARENT WORKSHOP**

Dear Parents,

You are invited to attend a 'learn how to use Tapestry' event at school on **Wednesday 16th October at 3.30pm. Children are not permitted to attend this event.**

Tapestry is used in EYFS at St Mary's to journal your child's learning experiences. It is a valuable tool, which is used by both staff and parents. School will add observations of your child's learning continuously throughout the year and we will be asking you to comment on the observations we make and upload your own observations of your child's learning experiences at home.

During this 'learn how to use Tapestry' event we will show you how to add a comment to an observation of learning at school and how to upload your own observation and photograph.

In order for us to demonstrate how you can upload observations using your smart phone/tablet you need to have created your Tapestry login and have downloaded and logged in to the Tapestry App. Instructions are available on class webpages.

If you do not have access to a smart phone/tablet you can still access Tapestry via the Internet on a desktop computer. If you do not have access to the Internet through a desktop or a smartphone/tablet please speak to your child's teacher as we will be able to arrange a time for you to access Tapestry in school.

We look forward to seeing you at the Tapestry event. Please return the slip below to indicate your attendance by **MONDAY 7th OCTOBER. Thank you!**

Kind Regards  
Mrs J Moxon  
**Class 3 & Early Years Team Leader**

-----  
Please tick as appropriate...

- I have downloaded the Tapestry App and have logged in and viewed my child's learning journal.
- I will be attending the Tapestry event.       I will not be attending the Tapestry event.
